**FALL 2004** 

# **AGM 2004: YOUR OPPORTUNITY FOR INPUT**

The Annual General Meeting of the Association is the most important meeting of the whole year. It is the time when the Board of Directors reports on its activities over the previous year and seeks direction from the Members for the year ahead.

It is the opportunity for you, the Members, to review the past and have your say about where we go from here.

AGM 2004 will be an even more special occasion. During the past year we conducted *Operation Pension Indexing*. This series of meetings around the Province was a response to our concern about Government's threat to reduce pension indexing. The meetings were very successful. In fact, so successful that there is now a challenge to expand our activities and become even more assertive on behalf of Public Sector Pensioners. How we can deal with this challenge will be a major topic of discussion at the AGM.

AGM 2004 will be held on Tuesday, 19 October, at the new Capital Hotel, 208 Kenmount Road, St. John's. We need you to be there. It is your opportunity to have a real say about where the Association is going and how we will get there. Come and bring another Member with you.

Lunch consisting of soup, sandwiches, dessert, coffee/tea will be provided. Because lunch has to be ordered and paid for in advance we ask that you preregister no later than 15 October if you plan on attending. Call Maureen at (709) 754-5730 or 1(800) 563-4188 or e-mail her at pensioners@npspa.ca. Please notify us if you have a change in plans and are unable to attend as we have to pay for no-shows. Registration fee is \$10.

## **CHUCKLE:**

A dietitian was once addressing a large audience in Chicago. "The material we put into our stomachs is enough to have killed most of us sitting here, years ago. "Red meat is awful. Soft drinks erode your stomach lining. Chinese food is loaded with MSG. Vegetables can be disastrous, and none of us realizes the long-term harm caused by the germs in our drinking water. But there is one thing that is the most dangerous of all and we all have, or will, eat it. Can anyone here tell me what food it is that causes the most grief and suffering for years after eating it?"

A 75-year-old man in the front row stood up and said, "Wedding cake."

## A RETIREE'S PRAYER

by Linda Ann Green

Dear God up there in heaven,
My career is at an end.
My vocation in the marketplace
I mourn it like a friend.

Not everyone could understand, At first, my hesitation, They laughed and even teased me On my "permanent vacation."

But the job, the work, the people,
Was a second home for me,
Where I could do all tasks assigned
With great efficiency.

The admiration and support, The enrichment of my life, Co-workers who encouraged me, Through many times of strife.

Some envy me my freedom And "how lucky can you get?" But retirement is a process, Containing some regret.

God, let me put to good advantage, Skills I have acquired, So I can still be useful Although I am retired.
